

THE VINTAGE STORIES.

PRIVATE CORPORATE EXPERIENCES

THE PRIVATE TABLE

Exceptional wines. Remarkable stories. Better conversations.

An intimate, wine-led experience created for the people you want around the table — clients, colleagues, partners or guests.

THE WINE

A carefully curated selection chosen for the story it tells — not simply the label it carries.

THE STORY

The people, place and improbable decisions behind the bottle, brought to life around the table.

THE EXPERIENCE

A beautifully produced evening designed to give guests something genuinely worth remembering.

IDEAL FOR

Client entertaining · Leadership gatherings · Private dinners · Relationship building

Not another wine tasting.

A reason to bring the right people together.
